

IEP Binder

One Terrific Kid

Individualized
Education
Program

Livingston Parish would like to help you through the IEP process. This binder is intended to be used as an organizational tool for parents of children who have an IEP.

Front Pocket

Here you will find a brochure entitled “**Preparing for Your Child’s IEP: A guide through the process.**” This brochure will help you understand the purpose of an IEP and will give you some answers to frequently asked questions.

You will also find a brochure labeled “**Family Resource Center...a loaning library.**” The Family Resource Center is a free service offered to residents of Livingston Parish who have children enrolled in Livingston Parish Public Schools. It is a loaning library which provides resources to parents that will assist families with their child’s educational needs.

A Parent’s Commandment

We have provided an inspirational quote that may help you keep focus along your road less traveled.

IEP Tab

This is where you will keep your child’s IEPs. It is suggested to keep the most current IEP in the front. However, you may organize your binder according to your needs. You will also find an IHP tab for your Individualized Health Plan and a Behavior tab if applicable.

Progress Reports Tab

You will receive progress reports reporting your child’s progress according to the IEP. This will help you see the progress and goals your child is reaching. These are also helpful in setting goals for future IEP meetings.

Evaluation Tab

The evaluation is used to assess the child in all areas related to the suspected exceptionality. The evaluation results will be used to decide the child’s eligibility for special education and related services. Decisions about an appropriate educational program for the child will then be made.

Medical Tab

If your child has any medical conditions, you may keep items such as immunization records, diagnoses, medication orders, etc. in this location. Also, you will find a business card holder. It is a good idea to put all of the child’s doctor’s information in the card holder because you will be asked to update the doctor’s information at each IEP meeting.

Contact Tab

You will find a contact sheet in this section for you to write down the names and contact information of each person who attends the IEP meetings.

Other Tab

This is a free space for you to insert any other information you may have that pertains to the IEP.

Parental involvement is a key component in the social and academic growth of your child. We hope this organizational binder will help promote the success of your child while maneuvering through the IEP process.

*For any other information or questions concerning the IEP Binder,
please contact Melanie Bueche, 9261 Florida Blvd, Room 142B, Walker, LA 70785 (225) 667-1098*

A Parent's Commandment

By: Joshua Liebman

*"Give your child unconditional love,
a love that is not dependent on report cards,
clean hands or popularity.*

*Give your child a sense of your whole-hearted acceptance,
acceptance of his human frailties as well as his
abilities and virtues.*

*Give him a sense of truth; make him aware of himself as a
citizen of the universe in which there are many obstacles
as well as fulfillments.*

*Give your child permission to grow up and make
their own life independent of you.
these are the laws of honoring your child."*

*Please join in doing this for your child. Along your
road less traveled, it will make all the difference.*
