TEXAS STAR+PLUS Your Health Plan ★ Your Choice

## STAR+PLUS Program Services for Dual Eligible Members:

If you are covered by both Medicaid and Medicare, most of your basic health services and medicines ordered by your doctor (prescriptions) are covered by Medicare. Through STAR+PLUS you will get long-term services and help getting other services you need. The STAR+PLUS plan you pick will pay for Medicaid-approved medicines and services you get that are not covered by Medicare. These include long-term services such as:

- Adult day care
- Adult foster care
- Nursing
- Emergency response services
- Short-term help for caregivers
- Medical supplies
- Assisted living / home care
- Personal assistance (help with dressing, eating, and bathing)
- Adaptive aids (things like walkers and canes)
- Home modifications (things like wheelchair ramps and grab bars)
- Speech therapy (helping you learn to speak again or speak better)
- Occupational therapy (helping you learn to do everyday activities)
- Physical therapy (helping you learn to move around better or become stronger)

## Extra Services:

In addition to the services listed above, the STAR+PLUS medical plans in your area also offer extra services. These extra services cannot be used in place of services provided by Medicaid, including those provided by the following programs: Intermediate Care Facilities for Individuals with Intellectual Disabilities or Related Conditions (ICF-IID), Home and Community-based Services (HCS), Community Living Assistance and Support Services (CLASS), Deaf Blind with Multiple Disabilities (DBMD), and Texas Home Living (TxHmL).

Use this chart to compare the extra services each plan offers its members. If you have questions about a plan’s extra services, call the number under that plan’s name.

A “blank” under a plan’s name means that the plan does not offer the service listed.
