

Sponsorship Opportunity:

Sensory-Friendly Visit with Santa and Mrs. Claus

For the past seven years, the IDD Council, in partnership with First Methodist Mansfield, has brought joy to families through our sensory-friendly visit with Santa and Mrs. Claus. We are writing to invite you to become a vital sponsor of this cherished event.

As a \$1,000 sponsor, your organization will be featured on our event flyer and gain valuable visibility. You can also connect directly with families at a dedicated sponsor table, allowing you to share your resources and build relationships within the community.

Your generous sponsorship will directly contribute to:

 Ensuring Santa and Mrs. Claus can make their magical journey from the North Pole.

 Providing warm refreshments and a welcoming atmosphere for families.

 Most importantly, creating joyful and inclusive memories for children and adults with intellectual and developmental disabilities (IDD) and their loved ones.

To secure your sponsorship and receive an invoice, or to learn more about this impactful opportunity, please contact Rita@IDDCouncil.org or call 682-253-5537. We look forward to partnering with you to make this year's event even more special.
